**Welcome** to the final stage of our two year complete stud dispersal. Due to the sale of our long term leased land, family situation has changed dramatically we have had to re-structure both our business and living arrangements.

Judy will be retaining her stud cows under the Sylvandale prefix, which will be remaining at Wodonga.

In this final stage we have on offer the balance of our traditional cows joined heifers, unjoined heifers and selected young bulls. Amongst these are our top breeding females, which we are very proud of. The red cows are outstanding with fantastic black calves. We are very proud and incredibly saddened to offer our latest project. Our Black herd is something that we were extremely excited about. Each black female is offered to you as a giant step into the future of Simmentals in Australia.

All the cattle on offer have been GeneStar tested for marbling, tenderness and feed efficiency genes.

Our cattle have always been run under commercial conditions, and this is reflected in the success clients have had with them over the years.

We have made some great friends through Simmentals, and have treasured our time breeding good honest cattle and dealing with other great breeders who are as passionate as we are.

Please come and share a feed with us, wander through some great cattle.

Thank you for your continued support.

David, Tara, Austin and Judy Brewer.

Thanks to Judy Brewer and Ben Simpson for their continued support and hard work

**Please join us for pre-sale  
twilight inspections and Dinner on Thursday night.**

**Come and have a relaxed chat and a drink the night before the sale.**

**If you are staying in Albury/Wodonga on Thursday night we will be having a casual dinner at the Blazing Stump Hotel (which is also a great place to stay, and the closest motel to us).**

**You are most welcome to give us a call and come over to inspect our offering and our herd, anytime you wish.**

**We look forward to enjoying your company, if not before the sale, please stay for tea and drinks after the sale.**
